Tell us some more! The driver was developed for pacific image So it is very frustrating that I can't get at it now I have some time and a new PC! Ad posted 27 days ago.. In very good condition and full working order Find out more about our cookie policy.. I guess I will just have to buy a new scanner No need to be fancy, just an overview.. Hi, A 6ya expert can help you resolve that issue over the phone in a minute or two.. The product manual says I must install Twain compliant software before installing the scanner driver CD.
